Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

Instructions for editing shape size and color

- 01** Choose the shape you wish to edit.
- 02** Access the formatting tools, usually located in the toolbar or under a "Shape Format" tab.
- 03** Locate options for resizing the shape "Size", adjust height and width.
- 04** Adjust the shape's dimensions using handles or by entering specific measurements.
- 05** To alter the color, find the "Fill" or "Color" option or right click the shape , choose "Format Shape".
- 06** Select a color from the palette or utilize advanced settings for more customization.
- 07** Apply the changes and review the updated shape.

Instructions for changing shape to another shape

- 01** Choose the shape you wish to change.
- 02** Access the "Edit Shape", usually located in the toolbar or under a "Shape Format" tab.
- 03** Choose another shape, you wish to change, for eg- "Star: 5 Points" selected here.
- 04** Apply the changes and review the updated shape.

Instructions for editing any existing image

- 01** Choose the image you wish to change.
- 02** Delete the existing image, you see "Click icon to add picture".
- 03** Choose image of your own choice.
- 04** You will get the desired result.

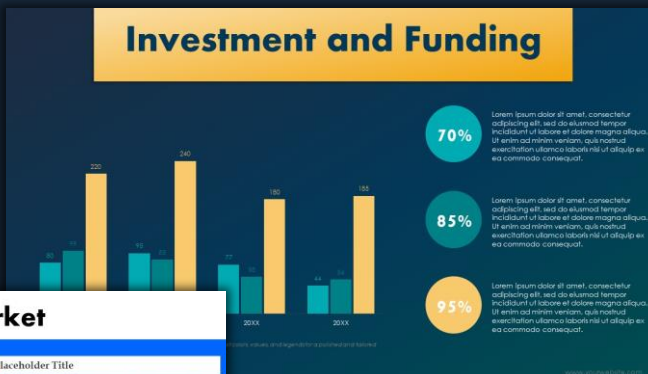

For editing any chart and graph
